See Pages 10-11 for preferences. An income eligibility table can be found below:

Description of Affordable Housing Restriction

This opportunity to purchase an affordable, deed-restricted unit at a significant discount is being offered through the Somerville's Inclusionary Housing Program. This requires, among other things, that the unit remain affordable for future buyers in perpetuity. If you are selected to purchase this unit, you will sign a "Deed Rider" and record it with the registry of deeds which describes the restrictions on the unit and your responsibilities. These restrictions will remain with the unit permanently and will apply to you and all subsequent owners. The following is an overview of the most important aspects of the Deed Rider and is meant for informational purposes only. If selected, you are strongly encouraged to hire an attorney to review the full recorded Affordable Housing Restriction.

- **Principal Residence:** The unit must be used as your primary principal residence and may not be used as a sublet, nor used for short term rental such as an Airbnb or rented out under any circumstance etc.
- **Leasing and Refinancing:** Express written consent must be obtained from the City of Somerville OSPCD, Housing Division prior to refinancing your loan.
- **Notice to the City of Somerville when selling your home/unit:** When you want to sell your home, you must contact the City of Somerville, OSPCD Housing Division. You must submit a written intent to sell. OSPCD will calculate the Maximum Affordable Sale Price. The buyer must meet income and asset criteria and the City must certify their income and must also be first time homebuyers.
- **The City conducts annual monitoring:** Homeowners will need to complete an annual residency verification form and provide residency documentation to ensure buyers are in compliance with the deed restrictions.
- **Improvements are not included in the resale calculations;** if you are thinking of doing substantial improvements and have questions about it, contact OSPCD's Housing Division first.
- **You can hope for a small modest increase** in the resale price; however, these units are not market rate units and are not valued as such. The price ***does not*** increase a set percentage every year. Upon resale, the units must remain affordable to another income eligible first-time homebuyer.

A deed- restricted unit cannot be resold without the City's Certificate of Compliance verifying the affordable price and the income eligibility of the purchaser.

What is a Household?

- A “household” includes all persons who will reside in the condo you are applying for. A household includes babies, children, teenagers and adults, *regardless of their ability to earn or receive income*;
- A household consisting of unrelated persons must have a documented history of living together prior to the start of the application period and an intention of continuing to do so;
- A household which consists of ONLY full-time students (including PhD) is not eligible to apply; Applicants may not submit multiple applications as a member of multiple households;
- An unborn child is considered a household member if the mother is in her third (3rd) trimester of pregnancy at the time of the lottery date; And
- Minors under shared custody are considered household members if they live with the applicant at least 50% of the time. Adult dependents away for college as full-time students are considered household members.

Legally married couples shall both be considered part of the household, even if separated. However, in situations where a household member is legally married to a spouse absent from the household (whether or not officially divorced or separated) and the absent spouse will not be moving into the inclusionary condo, the applicant must provide current verification: (1) if divorced, a copy of a divorce decree; (2) if not divorced, a copy of a separation agreement; (3) if the applicant does not have the documentation in #1 or #2, documentation of residing in separate addresses (such as copies of leases). Where no such documentation exists of residing at separate addresses, a notarized affidavit from the parties (or party in the event it is not safe or possible for both parties to do so) that they are separating and will be residing at separate addresses as of a certain date. Without any of the above verification, the ex-spouse will be considered part of the household and their income and assets will be counted in determining income eligibility, even if they do not plan on residing there.

Verification from a treating physician of being in the third (3rd) trimester, verification of full-time student status, custody arrangements or documentation of separation/separate residencies will be required at the time of income certification.

What are the Income Eligibility Requirements?

In order to be eligible to purchase an inclusionary condo, the applying household’s annual gross income must meet the guidelines listed in the Gross Annual Household Income Eligibility Requirements table below. If a household’s gross annual income is below the income limit they may be eligible. Minimum income restrictions are not set by the Inclusionary Housing Program for condos in price tier 1, only maximum income limits.

Lenders determine the minimum income amount they are comfortable underwriting for units priced in Tier P1. While the City does not set minimum income requirements, applicants must have income to support monthly mortgage, taxes, homeowner’s insurance, condo fees and utilities including water and sewer.

A household’s combined (total) gross annual income from **all** sources and for all members of the household must not exceed **the listed income limits, adjusted by household size, as indicated below.**

What is Considered Income?

Income is defined as all amounts, monetary or not, that go to or is received on behalf of any household member, even if the family member is temporally absent. Income also includes all amounts anticipated within the next 12 months going forward from the time of an income certification. It is the applicant’s responsibility

to accurately divulge anticipated changes in income. Income includes interest/dividends accrued from assets to which any household member has access. Examples of income are provided on the following page.

Examples of income include but are not limited to earnings from a job or self-employment including earnings from one-time events/gigs such as earnings from yard sales & art sales, childcare; fundraising campaigns (Go Fund me, Crowd Source, etc.); Unemployment Benefits; Pensions/Social Security/Disability Benefits; informal or formal Child Support (received or owed); Assistance from family/friends; Starting or closing of businesses.

Examples of anticipated changes include but are not limited to seasonal work, changes in work hours, raises, bonuses, overtime pay, cost of living adjustments (COLAS), commissions, gain or loss of employment or income source.

For self-employed household members: Self-employed household members (ride-share drivers, artists/musicians, business owners, etc.) must complete Profit/Loss Statements for each business at the time of an income certification. The Profit/Loss Statement must indicate month-by-month self-employment revenue and IRS allowable deducted business expenses for a 12-month period *preceding* the time of the income certification **AND** a Profit/Loss Statement for the 12 months *following* the date of the income certification showing month-by-month *anticipated* business revenue and IRS allowable deducted business expenses. For each claimed deductible business expense, back-up verification is required (contracts, receipts, payment verifications, paid invoices, etc.). Verifications must match the monthly deductions listed in the Profit/Loss Statements. The household member must explain or show how they arrived at their monthly deductions in writing.

What is the Asset Limit?

The maximum asset limit is set at \$75,000 in liquid assets, excluding restricted retirement, health, and college savings plans*. This asset limit applies to all household members and includes all assets or joint interests in assets held in the United States or abroad. **All assets for all household members must be disclosed in the pre-lottery application** and the most recent three (3) months of **complete statements for all accounts** must be provided at the time of an income certification. Assets which the applicant(s) hold and may not use or have access to are still considered assets and statements must be provided. In cases where an asset was recently closed, verification must be provided. **Applicants must disclose all joint accounts held with absent spouse/household members in the application.**

Examples of assets include but are not limited to: Saving/checking accounts; CDs; mutual funds; investment accounts; IRAs; 401Ks; 457B; 403Bs; bonds; digital currency (Bitcoin, etc.); payment apps (Venmo/PayPal, Square etc.); life insurance; community funds; fundraising campaign platforms (Go Fund Me etc.), cash on hand, real estate, any investments held abroad etc.

Failure to disclose all current or anticipated income and assets may result in a determination of ineligibility at the time of the income certification.

**Consideration may be given to households exceeding the initial asset limit of \$75,000 but using a portion of their unrestricted assets to make a downpayment not to exceed twenty percent (20%) of the affordable sales price.*

Who is a First-Time Homebuyer?

Applicants must be first-time homebuyers. A person shall be considered a first-time homebuyer if no person in his or her household has, within the preceding three (3) years, owned a home or owned an interest in a home through joint ownership. Exceptions may be made in the following five (5) instances ONLY:

1. A displaced homemaker: A displaced homemaker is an individual who is an adult meeting ALL criteria:

What is a Lottery Preference & How Can I Qualify for a Preference?

Living or working in Somerville full-time may qualify you for a preference in this lottery. **To receive a preference, a household must indicate in a pre-lottery application that they live or work full-time in Somerville and current documentation for preference eligibility claims will be verified at the time of an income certification.** Verification must be current (dated within 30 days) at the time of the application deadline. Households that apply with a preference and are unable to provide verification will not be able to proceed forward, and the Housing Division will move to the next household with preference verification on the lottery list.

If you are eligible for a preference, you will have a greater chance of being selected no. 1 for a unit through the lottery or be closer to the top of the lottery list for a unit. If you are not eligible for a preference, the Housing Division cannot determine your odds of acquiring a unit. If you are not eligible for a preference, you may apply and will be placed on the lottery list in the order in which your household is pulled in the non-preference pool. You should explore income-restricted housing opportunities in the City in which you live or work to learn if they offer local preferences within their respective programs. This may increase the odds of acquiring an affordable unit.

Co-equal preference will be provided to eligible applicants providing current verification of *living or physically working full-time in Somerville (32+ hours/week)*. **Preference documentation must be dated within 30 days of the application deadline.** Below includes acceptable documentation to receive a Somerville preference.

Copies of the Private Home Inspection report and executed P&S must be provided to the Housing Division. The buyer will formally apply for a mortgage loan with their chosen lender and then the buyer and seller will agree to a mutually convenient closing date included in the P&S, which is normally 30-45 days after the P&S is executed. If determined eligible for assistance, the City's assistance check can take up to 4 weeks to be generated, the check must be at hand at the time of closing. Final analysis of a household's documented need for closing cost assistance is not completed by the City until in receipt of the final Closing Disclosure.

What is the Inclusionary Housing Appeals Policy for Pre-Lottery Applications & Eligibility Determinations?

Pre-lottery determination of eligibility by OSPCD's Housing Division is based upon the following: 1) having a complete application; 2) having the appropriate household size for the particular Unit; 3) having the appropriate income that falls within the Unit's stated eligibility range, based on what households self-report for income in the application. The Housing Division has adopted the U.S. Department of Housing and Urban Development (HUD) 24 CFR 5.609 Part 5 definition of "Annual Income" which anticipates gross income, including income from assets, over the next 12 months. Staff annualize what households self-report as their monthly income, and compare that against the income eligibility range the Unit is in. It is the applicant's responsibility to disclose accurate information and to complete the entire application before the deadline. If any errors were made which affected the applicant's eligibility to participate in the lottery, the applicant has five (5) business days from the date of an email/eight (8) business days from the date of a letter regarding ineligibility to correct the error/discrepancy with the Housing Division by replying to the email/letter. The correction must include specific terms (for example, inclusion of income sources no longer received, forgotten household members, questions left blank or assumptions made in the calculation). Households can also make the correction by providing an updated application with the changes initialed and dated. Households that submit an application within 5 days of the deadline will not have the ability to correct the error/discrepancy and will not be prompted by the City via email or letter.

Post lottery/income certification determination: A household deemed ineligible upon the completion of the income certification process has the right to appeal the income¹ determination. To initiate the appeals process, the **applicant must send a written Appeal Request to the Director of the Housing Division within one week of receipt of the ineligibility determination.** A written request includes one sent by email. In this written request to the Director of the Housing Division, the household must identify in specific terms (for example, inclusion of an income source no longer received, or assumptions made in the calculation) what about the determination is being appealed. If a household needs more time to identify in specific terms what about the determination is being appealed, the household must identify good cause for additional time, and

¹ The City has adopted the Part 5 definition of "Annual Income" under 24 CFR 5.609 for the Inclusionary Zoning Program.

still must send a notice of intent to submit a written appeal request within one week of the receipt of the ineligibility determination.

While it is the responsibility of the household to provide the Housing Division with all of their current income documents and to disclose all reasonably anticipated income within the next twelve (12) months upfront during the initial certification process, if there are other documents the household wishes to supply that are new, that provide clarifying information, or are unanticipated/unexpected, the household should state such in its written appeal, and either include the additional documents in the appeal request, or provide a timeline within which such documents can be provided. It is within the discretion of the Housing Director whether to accept/wait for additional documents; however, the documents should be provided without any unreasonable delay, with time being of the essence. The Housing Division Director will consider the appeal request and any new information or documentation provided and make a determination.

The household will be notified in writing by the Housing Director regarding the outcome of the appeals determination, including the reasons and supporting facts and documents relied upon. Such determination shall be made within ten (10) business days of receipt of complete appeal documents, and if such determination cannot be made within ten (10) business days, the Housing Director will provide a reason why additional time is needed, along with an estimate as to how much additional time is needed.

While an appeal is pending, the Housing Division may proceed with income certifications of the next person(s) on the wait list but not to the point where the appealing applicant would be denied the opportunity to rent or purchase the subject unit (if the appeal were to be decided in his/her favor). The following agencies may be able to provide (free) assistance with the applicant's appeal:

SECTION F: APPEALS

Pre-lottery determination of eligibility by OSPCD’s Housing Division is based upon the following: 1) having a complete application; 2) having the appropriate household size for the particular Unit; 3) having the appropriate income that falls within the Unit’s stated eligibility range, based on what households self-report for income in the application. The Housing Division has adopted the U.S. Department of Housing and Urban Development (HUD) 24 CFR 5.609 Part 5 definition of “Annual Income” which anticipates gross income, including income from assets, over the next 12 months. Staff annualizes what households self-report as their monthly income, and compare that against the income eligibility range the Unit is in.

It is the applicant’s responsibility to disclose accurate information and to complete the entire application before the deadline. If any errors were made which affected the applicant’s eligibility to participate in the lottery, the applicant has five (5) business days from the date of an email/eight (8) business days from the date of a letter regarding ineligibility to correct the error/discrepancy with the Housing Division by replying to the email/letter. The correction must include specific terms (for example, inclusion of income sources no longer received, forgotten household members, questions left blank or assumptions made in the calculation). Households can also make the correction by providing an updated application with the changes initialed and dated.
