What is Considered Income?

Income is defined as all amounts, monetary or not, that goes to or is received on behalf of any household member, even if the family member is temporally absent. Income includes all amounts anticipated within the next 12 months going forward from the time of an income certification. Income information provided at the

time of an income certification will be assumed to be true over the next 12 months unless there is source verification indicating otherwise. Income includes interest accrued from assets to which any household member has access. It is the applicant's responsibility to accurately divulge anticipated changes in income.

Examples of income include but are not limited to earnings from a job or self-employment including earnings from one-time events/gigs such as earnings from yard sales & art sales, childcare; Fundraising Campaigns (Go Fund me, Crowd Source, etc.); Unemployment Benefits; Pensions/Social Security/Disability Benefits; informal or formal Child Support (received or owed); Assistance from family/friends; Starting or closing of businesses.

Examples of anticipated income changes include but are not limited to seasonal work, changes in work hours, raises, bonuses, overtime pay, cost of living adjustments (COLAS), commissions, gain or loss of employment or income source, gain or loss of clients.

For self-employed household members: Self-employed household members (ride-share drivers, artists/musicians, business owners, etc.) must complete Profit/Loss Statements for each business at the time of an income certification. The Profit/Loss Statement must indicate month-by-month self-employment revenue and IRS allowable deducted business expenses for a 12-month period *preceding* the time of the income certification **AND** a Profit/Loss Statement for the 12 months *following* the date of the income certification showing month-by-month *anticipated* business revenue and IRS allowable deducted business expenses. For each claimed deductible business expense, back-up verification is required (contracts, receipts, payment verifications, paid invoices, etc.). Verifications must match the monthly deductions listed in the Profit/Loss Statements. The household member must explain or show how they arrived at their monthly deductions in writing.

What is the Asset Limit?

The maximum asset limit is set at \$75,000 in liquid assets, excluding restricted retirement, health, and college savings plans. This asset limit applies to all household members and includes all assets or joint interests in assets held in the United States or abroad. **All assets for all household members must be disclosed in the pre-lottery application** and the most recent three (3) months of **complete statements for all accounts** must be provided at the time of an income certification. Assets which the applicant(s) hold and may not use or have access to are still considered assets and statements must be provided. In cases where an asset was recently closed, verification must be provided. **Applicants must disclose all joint accounts held with absent spouses/household members in the application.**

Examples of assets include but are not limited to: Saving/checking accounts; CDs; mutual funds; investment accounts; IRAs; 401Ks; 457B; 403Bs; bonds; digital currency (Bitcoin, etc.); payment apps (Venmo/Paypal, Square etc.); life insurance; community funds; fundraising campaign platforms (Go Fund Me etc.), cash on hand, real estate, any investments held abroad etc.

Failure to disclose all current or anticipated income and assets may result in a determination of ineligibility at the time of the income certification.

Can I Apply if I Own a Home?

Applicants owning property or interest in property are ineligible for an income-restricted rental apartment unless they are in the process of selling their home and have sold it prior to the completion of an income certification. Proceeds from the sale of property will be counted towards the asset limit and must be documented during an income certification. Households are not permitted to rent an income-restricted unit if the sale of the home has not yet occurred by the date the income certification is completed, the household will not be eligible to receive a Proceed Letter and will be placed at the bottom of the lottery wait-list.

What Is the Significance of a Preference & How Do I Qualify?

Living or working in Somerville full-time may qualify you for a preference in this lottery. **To receive a preference, a household must indicate in a pre-lottery application that they live or work full-time in Somerville and current documentation for preference eligibility claims will be verified at the time of an income certification.** Verification must be current (dated within 30 days) at the time of the application deadline. Households that apply with a preference and are unable to provide necessary documentation to verify preference eligibility will be placed at the bottom of all waitlists.

If you are eligible for a preference, you will have a greater chance of being selected no. 1 for a unit in the lottery or be closer to the top of the waitlist for a unit. Households who either currently reside or are required to physically work full-time (32 hours or more) within the boundaries of the City of Somerville may receive a preference. Both live and/or work in Somerville preferences are co-equal. Applicants do not receive a greater preference if they both live and work in Somerville. The duration of your residency or employment in Somerville does not impact preferences.

Households that are ineligible for a preference may still apply and they will be placed on the waitlist behind households with preferences. Upon tenancy turnover, wait-listed households may have the opportunity to income certify for an apartment. Maloney Properties cannot determine the odds of moving into an apartment as the total number of applications received and the ratio of applicants with a preference is only known after the deadline. Households are encouraged to explore income-restricted housing opportunities in the city which they live or work to learn if these programs offer local live/work preferences.

Co-equal preference will be provided to eligible applicants providing current verification of *living or physically working full-time in Somerville (32+ hours/week)*. **Preference documentation must be dated within 30 days of the application deadline.** Below includes acceptable documentation to receive a Somerville preference.

Proof of residency may include:

- Current signed lease; **OR**
- Notarized letter from landlord confirming ownership of property and applicant tenancy at property; **OR**
- Utility bill with current statement date. Do not use the bill due date; **OR**
- Bank/credit card/cable bill statement with Somerville address with a current statement date; **OR**
- Current voter registration, showing registration date within the last 30 days.

Proof of employment in Somerville may include:

- Signed and dated letter from employer on company letter head that includes the Somerville address where you work AND the number of hours you work per week in Somerville; **OR**
- A current paystub showing the Somerville address of where you work AND the number of hours you work per pay period.
- Ownership of a business *does not* mean you work there. Business owners must provide verification of ownership, a current bill connecting the owner's name with the address of the Somerville business **AND** a current paystub showing the number of hours worked **OR** if paystubs are not available, a notarized affidavit confirming the number of hours worked per week at the Somerville business.

*Somerville **work preferences may not be granted** for households providing **co-working spaces** as verification of employment in Somerville.*

Identifiers will be provided via email to applicants providing emails and with a phone call to those without access to an email.

When is the Lottery?

The lottery will be held virtually through Zoom approximately 1-2 weeks following the lottery application deadline. All participating applicants will receive unique identifiers and information to join the virtual lottery, prior to the drawing. Attendance of the lottery is not required. All unique identifiers will be called in the order in which they are drawn and placed on a lottery list. The lottery itself will be posted on Maloney Properties' website.

How Will I Know of My Position on the Lottery Wait-List?

The winner(s) in the lottery will be contacted by Maloney Properties within one (1) day to initiate an income certification. Households that have not been contacted by the Maloney Properties within one (1) day have not been selected no. 1 in the lottery. The results of the lottery will be posted on the City of Somerville Inclusionary website. Participating applicants who did not win may learn of their positioning in the lottery by viewing the website.

What Happens If I Am Selected No. 1 in the Lottery?

The applicant whose unique identifier is number one (1) in the lottery for each unit will be contacted immediately after the lottery by phone and email or regular mail. Households have 5 business days from the date of notification to submit all required preference, rental voucher, income, asset and Federal Tax documentation to Maloney Properties needed to verify a household's preference and eligibility status (more details on required documents under, What Does an Income Certification Require, below). This household must submit the income documentation listed below, including 2023 Federal Tax, W2s as well as complete income and asset documentation to Maloney Properties. **Maloney Properties reserves the right to request additional income and asset documentation as necessary to complete an income certification.**

Upon reviewing the initial information provided, Maloney Properties staff will contact the applicant with a first (1st) request for complete documentation which discloses and verifies all household income sources, assets and most recent Federal Tax Returns. This request will outline specific items needed to determine eligibility. The household will have five (5) business days from this notification date to submit the requested documentation. Maloney Properties will provide applicants with three (3) such requests thereafter. If the household is unable to provide requested documentation after three (3) additional requests are made and all required documentation to determine eligibility is not received, Maloney Properties staff may conclude that the requested information is not provided in a timely manner or in good faith effort. Maloney Properties reserves the right to discontinue the income certification and offer this opportunity to the next household on the lottery wait-list.

Household no. 2 will be notified if household No. 1 is determined ineligible or unable to lease-up. They will have five (5) business days from notification to submit initial income documents to Maloney Properties. Households participating in the lottery should set these documents aside prior to the lottery to facilitate timely submission to Maloney Properties after the lottery. Where there are two (2) apartments at the same income limit, household no. 1 and no.2 will be notified immediately to income certify.

DO NOT SUBMIT INCOME & ASSET DOCUMENTATION WITH YOUR PRE-LOTTERY APPLICATION.

Income assets and tax returns are only required if a household is selected in the lottery.

Eligibility Determination

Households will have the opportunity to select an apartment for which they are eligible based on their placement in the lottery drawing for that unit, income tier and preference pool. For example, a two (2)-person household applying for both 1BR and 2BR apartments, with a Tier 1 income (50% AMI) selected no. 1 in the lottery will have the first opportunity to choose an apartment amongst all available 1 and 2BR apartments available to households with incomes at Tier 1. When a household is found income eligible, Maloney Properties issues a Proceed Letter outlining the next steps. Once certified and after having received a Proceed Letter, the household will contact the property management which will then conduct their own credit and

background screening. If approved by the property management a lease will be offered. Only after a lease is offered and a move in date is agreed upon in a lease and lease rider, should the tenant give their current landlord notice. The Proceed Letter will provide further information regarding agencies that may provide start-up costs assistance if needed (up to \$3,000 in startup/moving costs assistance based on available funds).

DO NOT provide notice to a current landlord until a lease is offered.

Appeals

Pre-lottery determination of eligibility by Maloney Properties is based upon the following: 1) having a complete application; 2) having the appropriate household size for the particular Unit; 3) having the appropriate income that falls within the Unit's stated eligibility range, based on what the households self-report for income in the application. The Housing Division has adopted the U.S. Department of Housing and Urban Development (HUD) 24 CFR 5.609 Part 5 definition of "Annual Income" which anticipates gross income, including income from assets, over the next 12 months. Staff annualize what households self-report as their monthly income and compare that against the income eligibility range the Unit is designated at. It is the applicant's responsibility to disclose accurate information and to complete the entire application before the deadline. If any errors were made which affected the applicant's eligibility to participate in the lottery, the applicant has five (5) business days from the date of an email/eight (8) business days from the date of a letter regarding ineligibility to correct the error/discrepancy with the Maloney Properties by replying to the email/letter. The correction must include specific terms (for example, inclusion of income sources no longer received, forgotten household members, questions left blank, or assumptions made in the calculation). Households can also make the correction by providing an updated application with the changes initialed and dated.

Post lottery/income certification determination: A household deemed ineligible upon the completion of the income certification process has the right to appeal the income¹ determination. To initiate the appeals process, the **applicant must send a written Appeal Request to the Director of the Housing Division within one week of receipt of the ineligibility determination.** A written request includes one sent by email. In this written request to the Director of the Housing Division, the household must identify in specific terms (for example, inclusion of an income source no longer received, or assumptions made in the calculation) what about the determination is being appealed. If a household needs more time to identify in specific terms what about the determination is being appealed, the household must identify good cause for additional time, and still must send a notice of intent to submit a written appeal request within one week of the receipt of the ineligibility determination.

While it is the responsibility of the household to provide Maloney Properties with all of their current income documents and to disclose all reasonably anticipated income within the next 12 months upfront during the initial certification process, if there are other documents the household wishes to supply that are new, that provide clarifying information, or are unanticipated/unexpected, the household should state such in its written appeal, and either include the additional documents in the appeal request, or provide a timeline within which such documents can be provided. It is within the discretion of the Housing Director whether to accept/wait for additional documents; however, the documents should be provided without any unreasonable delay, with time being of the essence. The Housing Division Director will consider the appeal request and any new information or documentation provided and make a determination.

The household will be notified in writing by the Housing Director regarding the outcome of the appeals determination, including the reasons and supporting facts and documents relied upon. Such determination

¹ / The City has adopted the Part 5 definition of "Annual Income" under 24 CFR 5.609 for the Inclusionary Zoning Program.

shall be made within 10 business days of receipt of complete appeal documents, and if such determination cannot be made within 10 business days, the Housing Director will provide a reason why additional time is needed, along with an estimate as to how much additional time is needed.

While an appeal is pending, Maloney Properties may proceed with income certifications of the next person(s) on the wait list but not to the point where the appealing applicant would be denied the opportunity to rent or purchase the subject unit (if the appeal were to be decided in his/her favor). The following agencies may be able to provide (free) assistance with the applicant's appeal:

What Restrictions Apply to These Units?

The opportunity to rent an income-restricted apartment at below market rent is offered through the City of Somerville's Inclusionary Housing Program. As an inclusionary (affordable/income-restricted) apartment, certain eligibility requirements and restrictions apply. You will sign a "Lease Rider" annually which describes the restrictions on the apartment and your responsibilities as a program participant. These restrictions will remain with the apartment permanently and will apply to you and all subsequent renters. The following is an overview of the most important aspects of the Lease Rider and is meant for informational purposes only.

- **Principal Residence:** The unit must be used as your primary principal residence;
- **Student Status:** Head of household cannot be full-time students;
- **Income Eligibility:** Income certifications are good for one (1) year. Annual income re-certifications are required in order to continue to lease an affordable unit. You must remain income eligible in order to occupy an affordable rental unit.
 - If your household occupies a Tier 1 (50% AMI) unit, your household can increase income up to 140% of 50% of the Area Median Income. If household income exceeds 140% of 50% AMI at the time of a re-certification and you wish to remain in the affordable unit, you will be charged a rent calculated as affordable to a household at 80% AMI. If your household occupies a Tier 3 (81%-110% Area Median Income) unit, your household can increase income up to 120% of Area Median Income. If your household exceeds 120% AMI, they will no longer be eligible for the unit and must vacate the unit upon the end of the current lease term.
 - Rents may increase annually.
- **Renting:** Households may not sublet, rent out or Airbnb the affordable unit or space in a unit under any circumstance.

SECTION G: APPEALS

Pre-lottery determination of eligibility by Maloney Properties is based upon the following: 1) having a complete application; 2) having the appropriate household size for the particular Unit; 3) having the appropriate income that falls within the Unit’s stated eligibility range, based on what the households self-report for income in the application. The Housing Division has adopted the U.S. Department of Housing and Urban Development (HUD) 24 CFR 5.609 Part 5 definition of “Annual Income” which anticipates gross income, including income from assets, over the next 12 months. Staff annualizes what households self-report as their monthly income, and compares that against the income eligibility range the Unit is in.

It is the applicant’s responsibility to disclose accurate information and to complete the entire application before the deadline. If any errors were made which affected the applicant’s eligibility to participate in the lottery, the applicant has five (5) business days from the date of an email/eight (8) business days from the date of a letter regarding ineligibility to correct the error/discrepancy with Maloney Properties by replying to the email/letter. The correction must include specific terms (for example, inclusion of income sources no longer received, forgotten household members, questions left blank or assumptions made in the calculation). Households can also make the correction by providing an updated application with the changes initialed and dated.
