57	Maintenance and safety	11/20/2017 8:53 PM
58	Lights along all walkways at night	11/20/2017 11:41 AM
59	None that I'm aware of	11/18/2017 7:03 AM
60	Putting this here for lack of a better spot: strongly in favor of ivy or other natural covering on the painted concrete walls, NOT a mural	11/17/2017 4:11 PM
61	Litter and the rotten care by the DPW when there is snow and ice. I fell last year on the icy steps. I'm in good shape but many elderly people and children are put in dire straits by the hideous attention given a heavily sloped area in bad weather. It would also be nice if public drinking in the lower park could be monitored--this is often what adds to the litter.	11/17/2017 8:54 AM
62	Keep in green and as wild as possible	11/17/2017 6:37 AM
63	none should have been here in the early eighties	11/16/2017 10:20 PM
64	Neglected maintenance of the landscaping	11/16/2017 9:37 PM
65	Parking rules adjacent to park are overly restrictive at night. When on the tower, streetlights are blinding	11/16/2017 7:56 PM
66	Not sure	11/16/2017 5:19 PM

67	Poor maintenance of stairs/ramp in winter: many neighbors commute, and walk thru park to Union to catch the bus. Graffiti, human and animal waste, garbage, broken glass on path/stairs, ugly retaining wall, poor lawn, plant, and tree maintenance.	11/16/2017 3:26 PM
68	The sidewalk in front of the tower, where the stairs are, is treacherous for pedestrians. The water fountain sticks in the "on" position and wastes water.	11/16/2017 2:52 PM
69	Poor maintenance	11/16/2017 2:43 PM
70	The really ugly retaining wall. Can you make it more beautiful?	11/16/2017 2:08 PM
71	it doesn't feel all that inviting. the field feels kind of boring and like it was just left that way because no one felt like doing anything with it, and the woods and structures feel kind of run down or like you're not supposed to be there. I'd love to see less grass and more/nicer trees and structures(both climbing structures and shade structures)	11/16/2017 1:36 PM
72	N/A	11/16/2017 1:08 PM
73	Not really. I smell weed there at nights most nights, but I guess that's cool here now! (I just moved from a state where it's still banned)	11/16/2017 10:53 AM
74	No bicycle parking	11/16/2017 10:19 AM
75	safety/nuisance of after-hours (especially weekend) activities (drug use/dealing, fights, yelling, drinking), often focus by the "shed"; blinding lights facing the tower (from prospect hill parkway); dangerously crumbling stairs; increasingly occluded view; trash overflow from old-style bins	11/16/2017 10:17 AM
76	trash on the ground.	11/16/2017 9:43 AM
77	Information on how to go inside the fort itself.	11/16/2017 9:31 AM
78	Access to the park (no curb cut) we lives directly across from the park and there is not pedestrian crossing to get to the park, traffic is dangerous on that section of road and it is scary to cross the road to get there with my 1 year old, second most critical issue is bad lighting (to much lighting) at night, the lighting blast all night straight into our windows and that even blackout blind can't block , it is also perturbing animal nightlife and people sleep, look into circadian lighting to mimic real life lighting	11/16/2017 9:28 AM
79	Maintenance	11/16/2017 9:12 AM
80	the trees and shrubs, etc do not look "happy/healthy", the stairs in the back, the large slope is a challenge, dog - tracks/poop	11/16/2017 8:39 AM
81	drug deals, but much less than before	11/15/2017 10:31 PM
82	Lightning is blinding.	11/15/2017 8:19 PM
83	dogs in park make sitting on grass iffy, as not cleaned completely	11/15/2017 8:06 PM
84	excessive lighting/ lights misdirected, so they come right at you when you try to enjoy the view, noise (big parties, joggers in group)	11/15/2017 7:52 PM
85	Trash, damage to park and cars	11/15/2017 5:07 PM
86	Steps falling apart	11/15/2017 5:04 PM
87	Trash	11/15/2017 4:51 PM
88	The wall around the tower, while supposedly practical is a disgrace and ugly. The steps going down to columbus ave are dangerous and are spaced to not easily use. Keep the cobblestones. Don't lose the open feel of the park.	11/15/2017 3:23 PM
89	Not enough benches in shaded locations, dogs loose on the grounds	11/15/2017 3:14 PM
90	Some hanging out and drinking on the backside of the hill near the small stone building	11/15/2017 2:56 PM
91	Something I dislike is the way the lights facing the tower ruin the view. The park is open during dark hours, especially in winter months, and you can't enjoy the skyline view because there are multiple spotlights blasting your eyes. I think the park is overall too lit at night—living directly across the street from it requires some serious black out curtains.	11/15/2017 2:53 PM
92	Dogs are OFF LEASH & Much DOG WASTE on Ground	11/15/2017 2:42 PM
93	Erosion	11/15/2017 2:37 PM

94	Belgian blocks were being stolen. The steps going to lower Prospect Hill Avenue are a hazard. The lower part of the park should be well-lit for safety, as it's not visible from the surrounding streets.	11/15/2017 2:25 PM
95	There is a constant smell of marijuana in the park, particularly near at the back amongst the trees and near the shed. It is not appropriate for children or homeowners abutting the park to be exposed to drugs without their consent. In addition, the trees in the park are not tended and there have been numerous incidents of significant property damage recently - it was a mercy no one was killed.	11/15/2017 2:21 PM
96	Infrastructure	11/15/2017 2:18 PM
97	The lighting is too aggressive at night	11/15/2017 2:10 PM
98	More places to sit; improved staircase from Union Square.	11/15/2017 2:09 PM
99	Some structural items seem to need significant repair. the lighting for such an iconic structure seems to be too basic.	11/15/2017 2:09 PM
100	The ugly concrete surrounding the monument	11/15/2017 2:03 PM
101	Late night noise. There are people who do not respect the area or keep the noise to a minimum in the middle of the night.	11/15/2017 2:03 PM
102	Cobblestone sidewalks are treacherous. Playground area needs to be redone soon - starting to wear out.	11/15/2017 2:02 PM
103	I'd like to see an on-foot, community police officer walk through regularly. This would be good at all city parks. Rather than having abutters have to call in overdoses and other unfriendly park behavior, the officer could get to know the neighbors (especially kids), be around frequently enough to discourage illicit activity (maybe stop drug deals from happening in the cars parked along the park), and get be a friendly presence instead of racing by in vehicles.	11/15/2017 1:51 PM
104	Improved indirect lighting deal with those who use the small fieldstone house for sleeping pooping clothe changing and drug use and sales	11/15/2017 1:37 PM
105	need for more seating in shaded areas	11/15/2017 11:40 AM
106	Maintenance of tower retaining wall, maintenance of wooded area/paths	11/15/2017 10:00 AM

10	yes the roads could be nicer but I say that most every where, so I am okay with current situation unless this includes speeding on Walnut, particularly at night, but I dont find the traffic to be excessive to too speedy by the park.	12/1/2017 1:21 PM
11	Drivers are ok there. Hate the blinky signs.	11/28/2017 11:25 PM
12	Poor street lighting aesthetics in surrounding streets. Some are too bright and are a bother when trying to enjoy a late evening sit down.	11/28/2017 6:47 PM

17	Bad lightning	11/15/2017 8:19 PM
18	I don't live on the street but we can't push "traffic" on to other streets. Maybe some traffic calming / crosswalks will provide safety but let's not forget we live in a city and everything as a whole needs to be taken into account.	11/15/2017 3:23 PM
19	streets are too narrow for two-way traffic	11/15/2017 2:56 PM
20	More the people who come at odd hours and park near the tower with stereos blazing. I know this isn't a unique problem, but for some reason parking in front of the tower is a "thing". (I don't know why they aren't getting out into the park/tower, to boot)	11/15/2017 2:53 PM
21	park traffic is minimal	11/15/2017 2:42 PM
22	The blind spot driving up the road on the turn.	11/15/2017 2:18 PM
23	Nowhere safe to cross the street by the tower / top of stairs	11/15/2017 2:10 PM

Q10 Would you be in favor of up-lighting the tower with different colored lights? (Similar to the way the Zakim Bridge or Boston City Hall are lit for special occasions.)
